This is the Sum Insured for each item or group of items. If any insured property is damaged (Partial Loss), the policy will pay the amount You have spent on repairs. If any insured property is lost or destroyed completely (Total Loss), the maximum amount payable is the Sum Insured for that item.

The amount of Sum Insured for each cover and item of property is shown in a document called the Policy Schedule. This is the maximum amount insurer will pay, in case the actual cost of repair, rebuilding or replacement is higher. This policy ends when insurer pays the whole Sum Insured of any cover or item insured.

You must commence the repairs, reinstatement or reconstruction within a reasonable time after the date of damage or destruction. You must complete the repairs or reinstatement within reasonable time, in any case not beyond 12 months from the date of damage or destruction or within such time as insurer may allow.

In all cases, insurer will not pay more than the relevant Sum Insured.

The policy will pay only to the extent required to bring the Property to a condition substantially the same as, but not superior, better or more extensive than its condition if it were new on the date it is damaged or destroyed.

You can reconstruct the new building on the same site, or another site. If You reconstruct the new building on another site, the policy will not pay You more than what insurer would pay to reconstruct on the same site.

Special feature: Underinsurance upto 15 % of Sum Insured is waived. Underinsurance occurs if the Replacement or Reinstatement value on the date of loss of any Insured Property is more than the Sum Insured. It is usual in insurance covers that in such a case, the full claim is not paid. It is reduced in proportion to the difference. Under the **Bharat Sookshma Udyam Suraksha** Policy, difference upto 15% is ignored, but beyond that underinsurance is applicable to the full extent.
